

Quirindi Eastside Child Care Centre

Is NOW a NUT FREE centre

What does this mean, this mean that we have a child enrolled who has an ANAPHYLAXIS reaction to NUTS

Anaphylaxis is a severe, life-threatening allergic reaction to an allergen which in this case is NUTS.

Eastside has been required to introduce a NUT FREE policy in an attempt to ensure the health, safety and well-being of this child. By implementing the strategy of no nuts in the centre we are doing all we can to avoid this child's exposure the known triggers of the allergic reaction.

All parents are asked to check the ingredients and contents of their child's lunch items to ensure that ALL items are NUT FREE .

We require every family to act responsibly to ensure that this and all our children are kept safe.

Please sign and return the bottom slip so staff are aware of which families have been informed of Eastside's NUT FREE status:

I _____ Parents of _____

am aware that Quirindi Eastside Child Care is a NUT FREE service.
