STATEMENT OF REASONS

issued under Section 2.22 of the *Environmental Planning and Assessment Act 1979*

DEVELOPMENT APPLICATION: 10.2023.53.2

DISCLAIMER

From 1 July 2018 consent authorities under the Environmental Planning & Assessment Act 1979 must publicly notify their decisions as part of community participation reforms to simplify and increase transparency in the planning system. Section 2.22 establishes mandatory community participation requirements for agencies with planning approval functions under the Environmental Planning & Assessment Act 1979. Schedule 1 (Division 4) requires the following details on all determination decisions to be publicly notified.

APPLICATION DETAILS	
Application Number:	10.2023.53.2
Description of Development:	Modification – Change Council recommendation to improve water pressure - install an additional water tank to front boundary to pump water up to main dwelling.
Date lodged:	20 November 2025
Property Address:	6 Hall Street WILLOW TREE NSW 2339
Property Title:	LOT: 23 DP: 1093615
THE DECISION	
Decision:	Rejected
Date of the Decision:	Thursday, 28 November 2024
Reasons for the Decision:	The additional water tank did not require development consent and a DA Modification was therefore not required to be submitted.
COMMUNITY VIEWS	
Public Exhibition:	In accordance with the provisions within the <i>Liverpool Plains Shire Council Community Engagement and Participation Plan 2019</i> , this application was not notified to adjoining landowners or advertised, as it has been established during the assessment of the application that the proposed development is unlikely to detrimentally affect adjoining properties or potentially have a wider impact or special community interest.
Number of Submissions:	Not Applicable
Public Interest:	Public interest relates to whether there is widespread community support/opposition to the proposal. In this case, the matters addressed in this report relate to the impact of the development in the immediate vicinity of the site and there have been no issues identified that relate to the wider public interest.
