

## STATEMENT OF REASONS

issued under Section 2.22 of the *Environmental Planning and Assessment Act 1979*

**DEVELOPMENT APPLICATION: 10.2022.14.1**

### DISCLAIMER

From 1 July 2018 consent authorities under the Environmental Planning & Assessment Act 1979 must publicly notify their decisions as part of community participation reforms to simplify and increase transparency in the planning system. Section 2.22 establishes mandatory community participation requirements for agencies with planning approval functions under the Environmental Planning & Assessment Act 1979. Schedule 1 (Division 4) requires the following details on all determination decisions to be publicly notified.

| APPLICATION DETAILS                |  |
|------------------------------------|--|
| <b>Application Number:</b>         | 10.2022.14.1   |
| <b>Description of Development:</b> | Strata Subdivision   |
| <b>Date lodged:</b>                | Monday, 04 April 2022  |
| <b>Property Address:</b>           | 26 George Street QUIRINDI 2343   |
| <b>Property Title:</b>             | LOT: 2 DP: 1113482   |
| THE DECISION                       |  |
| <b>Decision:</b>                   | Withdrawn  |
| <b>Date of the Decision:</b>       | 19/12/2023   |
| <b>Reasons for the Decision:</b>   | N/A  |
| COMMUNITY VIEWS                    |  |
| <b>Public Exhibition:</b>          | N/A  |
| <b>Number of Submissions:</b>      | Not Applicable   |
| <b>Public Interest:</b>            | Public interest relates to whether there is widespread community support/opposition to the proposal. In this case, the matters addressed in this report relate to the impact of the development in the immediate vicinity of the site and there have been no issues identified that relate to the wider public interest. |
