STATEMENT OF REASONS

issued under Section 2.22 of the *Environmental Planning and Assessment Act 1979*

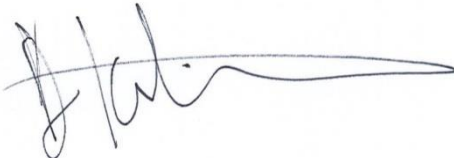

DEVELOPMENT APPLICATION: 10.2024.66.1

DISCLAIMER

From 1 July 2018 consent authorities under the Environmental Planning & Assessment Act 1979 must publicly notify their decisions as part of community participation reforms to simplify and increase transparency in the planning system. Section 2.22 establishes mandatory community participation requirements for agencies with planning approval functions under the Environmental Planning & Assessment Act 1979. Schedule 1 (Division 4) requires the following details on all determination decisions to be publicly notified.

APPLICATION DETAILS	
Application Number:	10.2024.66.1
Description of Development:	DA Creating an area suitable for a tractor pulling event. Soil will be moved around, without leaving the property, to make a suitable "track" for the tractors. Temporary fencing to be erected for the duration of the event (event will take place over a 5 hour period, once a year) The land at 51 Darby Road Spring Ridge is already agriculture zoned and by holding this event, nothing will change or alter the ability of the land to continue to be used as it is now
Date lodged:	Monday, 15 April 2024
Property Address:	51 Darby Road SPRING RIDGE 2343
Property Title:	LOT: 2 DP: 861946
THE DECISION	
Decision:	Approved by Delegation
Date of the Decision:	Friday, 03 May 2024
Reasons for the Decision:	The development adequately satisfies the applicable provisions and objectives of the <i>Liverpool Plains Local Environmental Plan 2011</i> . The development is considered to be satisfactory, having regard to the relevant legislation, Council Codes and Policies and will not have a negative impact on the site or community. Accordingly the application is recommended for approval subject to conditions.
COMMUNITY VIEWS	
Public Exhibition:	In accordance with the provisions within the <i>Liverpool Plains Shire Council Community Engagement and Participation Plan 2019</i> , this application was not notified to adjoining landowners or advertised, as it has been established during the assessment of the application that the proposed development is unlikely to detrimentally affect adjoining properties or potentially have a wider impact or special community interest.
Number of Submissions:	Not Applicable
Public Interest:	Public interest relates to whether there is widespread community support/opposition to the proposal. In this case, the matters addressed in this report relate to the impact of the development in the immediate vicinity of the site and there have been no issues identified that relate to the wider public interest.
