## STATEMENT OF REASONS

issued under Section 2.22 of the *Environmental Planning and Assessment Act 1979*

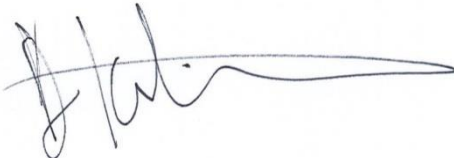

**DEVELOPMENT APPLICATION: 10.2024.78.3**

### DISCLAIMER

From 1 July 2018 consent authorities under the Environmental Planning & Assessment Act 1979 must publicly notify their decisions as part of community participation reforms to simplify and increase transparency in the planning system. Section 2.22 establishes mandatory community participation requirements for agencies with planning approval functions under the Environmental Planning & Assessment Act 1979. Schedule 1 (Division 4) requires the following details on all determination decisions to be publicly notified.

APPLICATION DETAILS	
<b>Application Number:</b>	10.2024.78.3
<b>Description of Development:</b>	MODIFICATION The proposed DA modification is to upload a new site plan that has an amended side setback from 1.1m to 4.4m along with the updated SOEE with the updated setbacks. The customer has changed the position slightly due to better access into the garage. This change will have no environmental impact as the shed is only being moved 3m inwards from the closest side boundary to clear, open land from the original approved position
<b>Date lodged:</b>	Monday, 01 January 0001
<b>Property Address:</b>	178 Hawker Street QUIRINDI 2343
<b>Property Title:</b>	LOT: 4 DP: 103690
THE DECISION	
<b>Decision:</b>	Approved by Delegation
<b>Date of the Decision:</b>	Friday, 27 September 2024
<b>Reasons for the Decision:</b>	The development adequately satisfies the applicable provisions and objectives of the <i>Liverpool Plains Local Environmental Plan 2011</i> . The development is considered to be satisfactory, having regard to the relevant legislation, Council Codes and Policies and will not have a negative impact on the site or community. Accordingly the application is recommended for approval subject to conditions.
COMMUNITY VIEWS	
<b>Public Exhibition:</b>	In accordance with the provisions within the <i>Liverpool Plains Shire Council Community Engagement and Participation Plan 2019</i> , this application was not notified to adjoining landowners or advertised, as it has been established during the assessment of the application that the proposed development is unlikely to detrimentally affect adjoining properties or potentially have a wider impact or special community interest.
<b>Number of Submissions:</b>	Not Applicable
<b>Public Interest:</b>	Public interest relates to whether there is widespread community support/opposition to the proposal. In this case, the matters addressed in this report relate to the impact of the development in the immediate vicinity of the site and there have been no issues identified that relate to the wider public interest.
